PROPOSED MEASURES FOR REORGANISATION CONSEQUENT
UPON THE DEPARTURE OF "STOCK", "LINA", "SHAH"
AND "KITYA".

From: NEW YORK

To: MOSCOW

No.: 1137

8 August 1954

To VIKTOR[1].

In connection with the forthcoming departure of
STOCK [SHTOK][ii], LINA[iii] and SHAH [SHAHh][iv] for home please:

1. Permit the internal line to be handed over to
NAZAR[v] (conjointly with the second line) from ALEXSEJ[vi] who is
to replace SHAH and at one and the same time carry on the work
on [C. this line] and photography.

2. As quickly as possible send a photographer to
the PLANT [ZAVOD][vii] (in STOCK's post or in that of a
probationer [STAZHER][a]). We consider that suspicions will not
be aroused by a person of this sort and for the Office it would be
an invaluable help and would relieve ALEXSEJ for more effective
operational work.

3. Advise whether I may count on JULIA [YULIYA][viii]
as [1 group unrecovered] after the departure of KITYA[ix] and
LINA we shall be left completely without a typist.

No. 630
8th August.
